

# Get Ready for Gift Season

Gift season is coming! We're here to make sure you're prepped and ready to go. Be a holiday hero with gifts that your clients can get with ease! In a recent survey of our customers, 58% of respondents said they plan to place gift purchase orders early due to supply chain concerns. Let us ease your worries over supply chain pains - check out these top selling kits for gift season that are made in the USA, using high quality, global ingredients.

## Mini Lip Balm Kit

**What's inside:** Your choice of eight flavors of our Mini Lip Balm, all packaged together in a white organza bag.

**Great for:** Showing employees appreciation by pairing the kit with a hand written, thoughtful note. Or, add it to a larger gift package with other items that encourage self-care, like a spa gift certificate and herbal tea.

## Personal Wellness Kit

**What's inside:** Our Soothing Stick, Lotion, Hand Sanitizer and SPF 15 Broad Spectrum Lip Balm. Packaged together in your choice of either a white pillow box or white organza bag.

**Great for:** Health care workers that need hand sanitizer and moisturizing products on the go. The Soothing Stick is great for rough patches on their hands and face from constant hand washing and glove and mask wearing.

## Iced Pear Pocket Bottle Gift Set

**What's inside:** 1 each of our Hand Sanitizer Gel Pocket Bottle, Premium SPF 15 Broad Spectrum Lip Balm, and Lotion Bottle, with every item featuring Iced Pear as the scent or flavor. Everything is packaged together in a white organza bag. Other scents and flavors available upon request.

**Great for:** Teachers and educators of all kinds, because they need quick and convenient personal care products that smell great.

## Seasonal Lip Balm Sampler

**What's inside:** All Natural lip balms conveniently packaged together in a trendy kraft brown box.

**Great for:** An end of year client appreciation gift. These seasonal flavors elicit happy, warm memories and gratitude.
